Explodes—Helmsman Blinded by the
Vivid Searchlight.

(By Associated Press.)

KIEL, Nov. 18.—Torpedo boat "S.
126" collided last night near Buell
with the small cruiser Undine and
one officer and 32 seamen are missing.
The disaster occurred during the
maneuvers in Kiel bay. A torpedo
boat division was making an attack
upon the Undine, which had blinded her
lights.

Later the Undine used her search-
light, which confused the helmsman
of the "S. 126," and the torpedo boat
got under the Undine's bow and was
struck amidship, causing the boiler
of the "S. 126" to explode. It is be-
lieved that all the missing members of
the crew were killed or drowned.

The accident occurred in the midst
of a snow storm. The torpedo boat
sank in four minutes.

POLICE SAVE MANY RIFLES

Secret Depository of Arms Found, but
the Government Officials by the Dis-
covery Have Succeeded in Prevent-
ing an Outbreak—No Arrests Have
Been Made as Yet.

(By Associated Press.)

HAVANA, Nov. 18.—The truth in
the reports of plots to overthrow the
government was revealed in part to-
day.

The government received a confi-
dential report to the effect that an os-
tensibly vacant house in the Cerro
suburb was being utilized as a secret
depository for arms and ammunition
and ordered the secret police to in-
vestigate.

The police found 41 rifles, 21 car-
tridges, 35 packages each containing a
thousand cartridges and some barrels
filled with ammunition and accoutre-
ments. Considerable suspicion is di-
rected toward the liberal and radical
leaders. The police are searching for
the person who rented the house in
which the arms and ammunition were
seized, but no arrests have as yet been
reported.

It is said that other installments of
arms are hidden in various places in
the island. The rifles seized today
were new and of costly pattern.

DOG MEAT COMMON DIET IN GERMANY

Statistics Show That 1,177 Brutes
Were Slaughtered for Food
Last Year.

(By Associated Press.)

WASHINGTON, Nov. 18.—That
some Germans are dog eaters would
seem to be indicated by the report of
statistics sent to the Department of
Commerce and Labor by Consul Gen-
eral Guenther, of Frankfurt, Germany.
During last year 1,177 dogs were
slaughtered for food and inspected.
Horse meat was in demand also, for
81,312 horses were slaughtered and
also inspected. He continues that the
figures show that the home supply of
animals is subject to diseases, and it
also shows the importance of proper
inspection of animals slaughtered for
human consumption.

ling Team From Virginia

North Carolina Piles Up a Score of 17
to 0 Against V. M. I.—Yale Beats
Princeton, but Harvard Failed to Do
Better Than Tying Score Against
Dartmouth.

(By Associated Press.)

ANNAPOLIS, MD., Nov. 18.—The
midshipmen played the next to the last
game of the season on the home
grounds today, defeating the Univer-
sity of Virginia team by a score of 22
to 0.

The visitors had several brilliant in-
dividual players, but were not up to
the standard of the midshipmen. The
navy scored a touchdown and goal and
a goal from the field in the first half
and two touchdowns and goals in the
second. The midshipmen's game was
not nearly so fast as usual and there
were several bad fumbles.

Lieutenant Boyers, the head coach
of West Point, saw the game. He
said that Annapolis and West Point
are playing about an equal game this
season, but that West Point was some-
what heavier.

The Line-up:

Navy.	Position.	U. of Va.
Howard (Capt.)	(Dague)	Dobson
	Left End.	
Chambers (Magruder)		Haskell
	Left Tackle.	
O'Brien (McConnell)		Dangerfield
	Left Guard.	
Causey (Rees)		Kites
	Center.	
Shafrot		Murphy
	Right Guard.	
Grady		Woods
	Right Tackle.	
Woodworth (Welsh)		Barry
	Right End.	
Decker (Norton)		Randolph
	Quarter Back.	
Spencer (Ingram)		Johnson (Neen)
	Left Half Back.	
Doherty (Bernard)		Waples
	Right Half Back.	
Ghormley (Smith)		Neil
	Full Back.	

Referee: Mids, University of Penn-
sylvania; Umpire, Sharpe, Yale; Head
Linesman, Dr. Whitehurst, University
of Maryland.

Touchdowns—Ghormley, Doherty,
Magruder; goals from touchdowns,
Decker, Norton (2); goals from field,
Decker. Time of game two 25-minute
halves.

North Carolina—V. M. I.

CHARLOTTE, N. C., Nov. 18.—The
University of North Carolina eleven
defeated Virginia Military Institute at
Winston-Salem today by a score of 17
to 0. Carolina's team was heavier and
in better form, but the Virginians put
up a strong game.

In the first half Carolina made two
touchdowns, but failed to kick goal
and the half ended with a score of 11
to 0. In the second half Stilton car-
ried the ball to the twenty-yard line
and Abernathy made an eighty-five
yard end run for a touchdown.

V. P. I.—South Carolina.

(Special to the Daily Press.)

ROANOKE, VA., Nov. 18.—The un-
conquered Virginia Polytechnic In-
stitute team won its eighth straight
victory here today, defeating South Car-
olina College by a score of 34 to 0. The
Carolina team was doomed from the
start. It never earned a first
down.

Yale—Princeton.

NEW HAVEN, CONN., Nov. 18.—
Following the old-fashioned style of
football Yale today gave Princeton a
23 to 4 beating, the worst in many
years, but the Princeton team had the
satisfaction of breaking Yale's clean
record by a beautiful 43-yard drop
kick by Tooker. But after all the blue
can still point to a goal line that has
not been crossed by an opponent this
season.

The game was relieved from posi-
tive dullness by Yale's adoption in the
second half of the much longed for
"open play," when long runs around
the ends, much kicking, in which the

quarter backs did their share, and two
brilliant dashes by Quarter Back
Hutchinson, of Yale, repeatedly
brought the thirty thousand specta-
tors to their feet. The singing at the
game was inspiring, as it always is,
but Princeton had more lung power
and had the courage to hurl their
catchy songs across the field, Yale's
reply becoming enfeebled as interest
in the game increased.

Harvard—Dartmouth.

CAMBRIDGE, MASS., Nov. 18.—For
the third consecutive time the Har-
vard football eleven failed to win a
victory over the Dartmouth college
team, the score being a tie, 6 to 6.
Last year also the result was a tie,
neither side having scored, while the
year before Dartmouth defeated Har-
vard 12 to 0. Throughout the game
Dartmouth showed much superiority
and most of the play was in Harvard's
territory. The scoring by both teams
was the result of line bucking and
there were no spectacular plays. The
weather was perfect for football and
more than 20,000 spectators witnessed
the contest.

Enthusiasm Causes Bad Accident.

ANN ARBOR, MICH., Nov. 18.—
Weakened by the cheering and stamp-
ing in unison of two thousand people,
the west bleachers of Ferry field col-
lapsed this afternoon, ten minutes
after the second half of the football
game between Michigan and Wiscon-
sin had begun. Almost miraculously
none of the throng, who were precipi-
tated to the ground was severely in-
jured. The bleacher had no seats,
being merely a series of terraced
platforms running up to a height of

EDUCATION IS AIDED

Baptists Hear Reports on What
Church Has Been Doing.

PROGRESS HAS BEEN MADE

Association Decides to meet in the
Grove Avenue Church in Richmond
Next Year—Rev. Blackwell to
Preach the Annual Sermon Then.

(Special to the Daily Press.)

CHARLOTTESVILLE, VA., Nov. 18.—
The Baptist General Association
transacted a great deal of business to-
day.

One of the first questions to come up
was the choice of the next place of
meeting, and upon the recommendation
of the committee Grove avenue church,
Richmond, was unanimously chosen,
and Rev. D. S. Blackwell, of Norfolk,
was appointed to preach the annual
sermon a year hence.

The morning session was devoted al-
most entirely to the consideration of
educational matters.
First came the report on general
education, prepared and read by Rev.
S. C. Mitchell, of Richmond. The pa-
per was a splendid one, written in Rev.
Mitchell's best style and was a cheer-
ing picture of the wonderful progress
Virginia is making along all educa-
tional lines.

It shows that there has been a tre-
mendous awakening in the old Com-
monwealth, especially in the matter of
popular education. He shows by the
figures that the Baptists are already
in the front rank with this army of
educational progress, and all the
school, both male and female, under
Baptist control, are in a more flourish-
ing condition and have larger student
rolls than ever before in their history.

Rev. J. W. Porter, of Newport News,
made a stirring speech, abounding in
humor, in striking phrases, in deligh-
tfully odd and unexpected contrasts,
and at the same time in real power.
He spells Baptist with a good big B,
but the representatives of other faiths
who were present in the audience be-
haved beautifully and showed no sign
of wanting to "heave things" at him.
In fact, his speech was immensely en-
joyed.

Dillard—View.

Miss Lillie Dillard and Mr. J. C.
View were married at the home of the

quiet affair and was witnessed only
by a few friends and relatives of the
young couple.

Miss Dillard is well known in this
city, she having made numerous visits
to friends here. Her brother, Mr.
Palmer Dillard, formerly resided here,
but now lives in Chicago.

SEA LEVEL CANAL SAYS ENGINEERS

after Months and Months of Re-

Fendered.

NO LOCKS FOR THE BIG DITCH

Americans Assisted by Foreigners

Finally Come to a Decision and It's
Possible That Work May Really Be-
gin on the Canal in Earnest in Fu-
ture—Taft Talks.

(By Associated Press.)

WASHINGTON, Nov. 18.—By a vote
of 8 to 5 today the board of consult-
ing engineers of the Isthmian Canal
Commission placed itself upon record
as favoring the construction of the
Panama canal on the sea level.

This decision represents the out-
come of nearly three months' hard
work. Early in September the engi-
neers gathered from all parts of the
world to assist the American engineers
in the decision of the momentous
question of constructing the Panama
Canal, at sea level or at a greater al-
titude, involving a system of locks.

Congress will be the court of last
resort as between the sea level and
lock canal projects; simply through
the fact that additional legislation will
be necessary if a sea level canal is to
be built, for the board finds that such
a canal will cost from seventy-five to
one hundred millions more than the
cheapest practical lock canal and will
consume from five to seven years
more in the construction.

ST. LOUIS, Nov. 18.—Secretary

Wild Mountain Maid Convicted of Rob-
bing Travelers in the
Hills.

(Special to the Daily Press.)

WINCHESTER, VA., Nov. 18.—
Maude Nicholson, a pretty and buxom
mountain lass of sixteen years, has
just begun a three months' term in
Woodstock jail for stealing a suit case
and wearing apparel, and her father,
Andrew Jackson Nicholson, is serving
four months for the same offense.

The case was taken from the back
end of a buggy occupied by M. R. Sel-
lers and wife, of Rockingham county,
on the road to Orkney Spring, and
was found at the home of the Nich-
olson in Shenandoah county.

Maude is also alleged to have taken
in a similar manner a valise from a
United Brethren preacher containing
church collections, and recently she
was shot in the arm by a young man
who caught her in the act of taking
a grip from his buggy.
